

To customers, suppliers and partners

Berlin, 2022/07/14

Dear sir or madam,

we are pleased to inform you that Britze electronic GmbH will acquire the assets of BRITZE Elektronik und Gerätebau GmbH in an asset deal on July 18, 2022.

Britze electronic GmbH is a wholly owned subsidiary of technosert Holding GmbH with headquarters in Wartberg ob der Aist / Austria. The operating unit of technosert has over 30 years of experience in the field of EMS services.

In this context, we would like to express our special thanks to the workforce, which has actively supported the company through the difficult period of insolvency and will continue to make a decisive contribution to the company's success in terms of technical expertise.

Owners and management are confronted with essential tasks, such as the sustainable improvement of the business and further technological development. Both companies will make optimal use of the synergy effects and grow together through the coming challenges.

With this letter, we would also like to express our gratitude for your many years of loyalty and your trust in Company Britze, even in mixed times. A key task in the coming weeks will be to establish the usual processing modality.

We will be happy to get in touch with you personally in the coming weeks. Open dialog with our customers, suppliers and partners will remain a key pillar of our communication culture in the future.

Thorsten Reiche
CEO
